The pastor, the **Rev.** Aaron D. Smith, will direct the congregational singing, and special music will be featured throughout the meeting. The public has a cordial invitation to attend these services.

W. S. C. S. NEWS

The Woman's Society of Christian Service of Hermon, Mt. Comfort, Bethel and Trinity churches enjoyed a joint meeting on the lawn of the parsonage on Thursday, July 10. All four societies and also the Guild of Trinity were well represented.

Mrs. Russell Martin presented a short devotion and then introduced the guest speaker, Mrs. A. P Pettyjohn, of Lynchburg. Mrs. Pettyjohn is president of the Lynchburg District, W. S. C. S.

A delicious picnic lunch was served at noon. After lunch each society met separately for a business meeting.

The churches plan to have their annual meeting at the parsonage again next July and the Hermon Society will have charge of the program.

KNOW THE WEATHER

By E. H. Sims

How does the height of small cumulus clouds on clear days give us a clue to the moisture content of the air?

The base of these small cumulus clouds tells us the amount of moisture in relation to the amount of water vapor it can hold before condensing into clouds. If clouds are at a high level, we know the air is dry. If clouds are at a low level, we know there is much moisture in the air and rain will not come.

A large wastebasket, lined with a paper bag, may make a handy washer. The trash can be emptied by lifting out the bag and cutting off the top. Two trips you have to make to the incinerator. Only the bag need be washed as a liner.
